Dear Joanne,

I am pleased to inform you that by unanimous vote, the IDA Board of Directors decided to present Keep Sedona Beautiful with an IDA Dark Sky Defender Award.

Board of Directors

President
James Dougherty • USA

Vice President
J. Kelly Beatty • USA

Treasurer
Nels Leutwiler • USA

Secretary
Diana Umpierre, Ph.D. • USA

The decision to give the award, made at the Board's December 2014 meeting, is in recognition of the fine work that Keep Sedona Beautiful is doing for the dark sky movement. The entire Board felt that KSB has made a great splash in Sedona and across the region.

Unfortunately, IDA did not have an annual meeting in December where we could have presented the award in front of our membership. We will soon be publishing our list of award winners on the IDA website.

Again, congratulations!
