Litter Lifter Recruitment

Wonder how our main streets and roads are so clean?

Of course, we should thank the City, the Counties and ADOT - folks that do their part, however, the major litter factor is down to the incredible team of devoted KSB Litter Lifters, who clean their area every few weeks.

Yes, this can be invisible in the sense that when we don't see highway litter, we don't think about it. We mostly see our beautiful vistas.

You would really notice if the KSB Litter Lifters took a couple months off.

Become Part of the Team. You can volunteer and set your own schedule and play a role in our community appearance. We provide the equipment and guidelines for you. You can pick an open route near you. Several attractive routes are open in the Village of Oak Creek area and West Sedona right now.

You could also choose a Temp or Alternate role and be called on periodically to help.

Join KSB's Litter Lifters and help keep Sedona beautiful and clean.
