Join us on Wednesday September 12 at 5:30 pm for our Preserving the Wonder™ speaker presentation with Ted Grussing, "Meandering Northern Arizona."

As a naturalist, attorney, author, pilot, businessperson, gem cutter, father and caregiver, few people have taken as many disparate paths in life as the multi-talented Ted Grussing. And for Grussing, doing so was more than just natural - it was destiny.

Photo by Ted Grussing

Possessing a life-long passion for the art of photography since the tender age of eight, Grussing had his own darkroom and was undertaking professional photography assignments by the age of fourteen. His subjects include majestic aerial landscapes, wildlife and flowers, plus imaginative, dreamlike composite images.

Grussing's work has been acknowledged by the editors of Arizona Highways Magazine and dozens of other publications and Internet galleries that have featured his images.

The evening includes complimentary appetizers donated by El Rincon Restaurante Mexicano and refreshments provided by Keep Sedona Beautiful (KSB).

KSB SEEKS NOMINEES

FOR AWARDS PROGRAM

Keep Sedona Beautiful, the Verde Valley's principal environmental organization, seeks to recognize individuals, groups, and firms that have made significant contribution to the esthetics and/or sustainability of our environment in Sedona and the Verde Valley. Each award must meet two specific criteria: a) the awardee's contribution must reflect harmony with our unique Red Rock landscape; and b) the awardee's contribution must be such that it inspires others to act in a similar manner. Nominations are being solicited in the following categories:

- **EXCELLENCE IN BUILDING AND SIGNAGE DESIGN**
KSB will consider awards for contest sensitive building design that employs forms, colors and materials compatible with our unique scenic environment. This may also include green building practices that conserve energy, water, and other natural resources.
- **EXCELLENCE IN CIVIL ENGINEERING**
KSB will consider awards for civil engineering works that incorporate features such as contest sensitive design, green infrastructure, and smart growth principles.
- **EXCELLENCE IN CULTURAL HERITAGE**
KSB will consider awards for special efforts that promote, preserve and educate people about our unique cultural heritage.
- **EXCELLENCE IN DARK SKY LIGHTING**
KSB will consider awards for special efforts to meet or preferably exceed municipal or county lighting codes to minimize the effects of a light dome over our region.
- **EXCELLENCE IN EDUCATION**
KSB will consider awards for special efforts to educate the region's residents and visitors on preservation, sustainable practices and reducing harmful impact to the environment with a view to recognize those who are sensitized to KSB's mission.
- **EXCELLENCE IN ENVIRONMENTAL STEWARDSHIP**
KSB will consider awards for special efforts to preserve the region's fragile ecosystem. This may include water conservation, climate mitigation/adaptation, pollution reduction, and habitat/species restoration.

- **EXCELLENCE IN LANDSCAPING**
KSB will consider awards for extraordinary landscaping, especially those that incorporate water retention, water harvesting and native plant species.
- **EXCELLENCE IN SUSTAINABILITY**
KSB will consider awards for special achievements to foster regional gains in sustainable practices and wilderness protection. In the nomination and selection of awardees, the Committee will employ a framework such as the Natural Step or one promulgated by the STAR - Sustainability Tools and Rating.

Awards will be presented at a special ceremony held on January 30, 2019 from 4:00 - 6:00 pm at KSB, 360 Brewer Rd in Sedona.

This Month

L'Auberge De Sedona

Situated on the banks of Oak Creek in the heart of Sedona's famed Red Rock country, L'Auberge de Sedona Resort and Spa is a place to stay where guests celebrate, connect, heal, and relax.

More than a hotel, a restaurant and a spa, L'Auberge is a place where extraordinary memories are created, romance rekindled and where unplugging results in true connection.
