"City of Sedona's Efforts on Climate Action Plan"

**Wednesday, March 11, 2020
5:30 pm, KSB Pushmataha Building**

360 Brewer Rd., Sedona

Join us on Wednesday, March 11, 2020, 5:30 pm for speaker McKenzie Jones, City of Sedona Sustainability Coordinator, presenting "[City of Sedona's Efforts on Climate Action Plan.](#)"

"Sedona is already experiencing the effects of climate change, including rising temperatures and increased risk of drought, wildfires and flooding.

These changes threaten Sedona's economy, environment, infrastructure and quality of life," said Ms. Jones.

Drawing on her background in environmental policy to find innovative strategies to address the climate crisis, McKenzie will discuss how the City of Sedona is reducing its impact and working to adapt to our changing climate. Learn about the City's efforts to develop a Climate Action Plan, and how you can participate.

In 2014, McKenzie was recognized with the Tom Moody Award for her leadership in preserving 2,700 acres of open space land at Picture Canyon and Observatory Mesa in Flagstaff. She currently serves on the boards of Oak Creek Watershed Council, Flagstaff Foodlink, and Coconino Cooperative Extension. She holds a Bachelor of Arts in Government and Law from Lafayette College and a Master of Arts in Sustainable Communities from Northern Arizona University.
