### Mike Koopsen Photography

Mike Koopsen has always been passionate about the natural world and the beauty that surrounds us.

Seeking out the awesome beauty of nature brings with it the adventure of exploration and the wonder of seeing things in a special light. Mike's award-winning images have been published in books and magazines, as well as newspapers, and have been used in many brochures, videos, and web sites.

Mike hopes his images will inspire others to seek out a richer, more personal connection with nature, and increase everyone's awareness of the fragile and precious nature of our environment and the need to protect it so future generations can enjoy the wonder he has been blessed to experience.
