Greetings!

Sedona Residents Asked to Weigh in on City Projects for FY22 before April 7th

Every year, the City evaluates key projects to be included in the budget for the coming year. The City does this by weighing needs, funding and other competing priorities. To that end, the City is seeking input from the community on projects City staff has heard should be considered for future implementation.

If you care about Sedona, the City wants to hear from you!

City of Sedona officials are asking residents to take an online survey to provide input on potential projects that will be included in the budget for the coming year. Access the survey before April 7th of this year through this link: <http://s.alchemer.com/s3/Budget-Survey-FY22>.

The survey asks just 10 questions on a variety of topics, including:

- Trailhead parking
- Communication with residents
- Environmental sustainability
- Posse Grounds Park improvements
- Capital improvement projects

Additionally, residents will be asked to rank the projects against each other in order to help the City understand the priorities of its residents.

At the close of the survey, City staff will take input received and use it during the budget preparation process so that staff, the City Manager and City Council can make more informed decisions regarding what is important to its residents.

This is your chance to be heard; please act now!

Survey results will be compiled by mid-April and posted to www.sedonaaz.gov/budgetsurvey.
