Greetings!

KSB is happy to announce the second event of the 2021 Annual Native Plant Workshop.

This workshop will be held at a private residence and is **limited to 10 cars max**. At the time of registration, please indicate how many attendees will be in your group.

Registration is easy! Just email ksb@keepsedonabeautiful.org and tell us how many attendees in your vehicle, and provide your email address and cell phone number.

Additional events in the 2021 Annual Native Plant Workshop are listed on the NPW page of our website, <https://keepsedonabeautiful.org/2021-ksb-virtual-native-plant-workshop/>.

Doug Copp

Keep Sedona Beautiful Native Plant Workshop

**"Learn How to Garden
Organically in Sedona"**

May 27, 6:00 - 7:00 p.m.

Organic gardening is fun, fresh, and rewarding. Learn how to grow your own organic plants at KSB's 2nd program in the Native Plant

Doug, a local expert on organic gardening, will discuss soil, plant propagation, predator control, harvest, storage and season extension. He will give attendees his tips, tricks, and wisdom on growing a successful organic garden.

Attendees will visit Doug's garden in person instead of via Zoom, so social distancing and masks are required. Vaccinated attendees welcome.

**This workshop series is brought to you by
Keep Sedona Beautiful.**
