Keep Sedona Beautiful, Inc. (928) 282-4938

Keep Sedona Beautiful Needs Volunteers

With increased traffic and tourists comes increased trash!

Please consider helping to keep Sedona beautiful by joining KSB's outstanding team of dedicated litter lifters. Available one-mile routes are:

State Route 179 between VOC and I-17

State Route 89A from Upper Red Rock Loop Road to the Sedona Medical Center

Four separate routes on beautiful Red Rock Loop Road

KSB asks that each litter lifter clean their route at least once per month any time they choose. KSB will provide safety equipment, guidelines and support.

For more information please view KSB's website: <https://keepsedonabeautiful.org/litter-lifters/>

Please email ksb2@keepsedonabeautiful.org if you would like to volunteer.
