### **Keep Sedona Beautiful Seeks Volunteers**

Some people love to pick up litter!

If being outdoors and cleaning up civilization's assault on Nature's beauty is your thing, please join Keep Sedona Beautiful's team of dedicated litter lifters. Available routes are:

\*State Route 89A from Upper Red Rock Loop Road to the Sedona Medical Center – Top Priority!

\*State Route 179 and I-17 Intersection - - Top Priority!

\*Four separate one-mile routes on beautiful Red Rock Loop Road

KSB asks that each litter lifter clean their route at least once per month any time they choose.

KSB will provide safety equipment, guidelines and support.
