Yavapai County is in the process of updating its Comprehensive Plan to cover the next 10 years. This critical document will guide the Planning and Zoning Commission, as well as County Supervisors as they consider development proposals over the next decade.

If you are not yet familiar with the process for updating the Comprehensive Plan, **[CLICK HERE](#)** for an explanation.

By law the County must include a section in their Comprehensive Plan addressing open space. The law states that the Comprehensive Plan must address "Planning for open space acquisition and preservation. The open space plan shall include: (a) A comprehensive inventory of open space areas, recreational resources and

(b) An analysis of forecasted needs, policies for managing and protecting open space areas and resources and implementation strategies to acquire additional open space areas and further establish recreational resources. (c) Policies and implementation strategies designed to promote a regional system of integrated open space and recreational resources and a consideration of any existing regional open space plan."*

Do not take this survey unless you are a resident of Yavapai County.

Seeking out the awesome beauty of nature brings with it the adventure of exploration and the wonder of seeing things in a special light. Mike's award winning images have been published in books and magazines, as well as newspapers, and have been used in many brochures, videos, and web sites.

Mike hopes his images will inspire others to seek out a richer, more personal connection with nature, and increase everyone's awareness of the fragile and precious nature of our environment and the need to protect it so future generations can enjoy the wonder he has been blessed to experience.
