

KSB AWARDS OF EXCELLENCE

Nomination Form - 2023

Now is the time to honor an individual, business or organization that has demonstrated outstanding contributions to our community. The awards will honor those who have most contributed to the mission to "Keep Sedona Beautiful." Winners will be featured in a special edition KSB newsletter.

KSB seeks nominees for Awards of Excellence in each of the following categories:

Building and Signage Design	Cultural Heritage	Environmental Stewardship
Civil Engineering	Dark Sky Lighting	Landscaping
Community Service	Education	Sustainability

New or redesigned buildings will be judged on the basis of their harmony with the natural environment, beyond what is required by municipal or county regulations. Keep Sedona Beautiful believes that the scenic beauty of Sedona should be protected, and that the built environment should never compete for attention with our natural surroundings, day or night. Outdoor lighting, signage and landscaping will be judged by the same standards. Special consideration will be given to efforts to conserve our environment and minimize our footprint on the environment.

Applications should be sent by November 1, 2022. Send by mail to KSB, 360 Brewer Rd., Sedona, AZ 86336; fax to 866-579-6011, or E-mail to ksb@keepsedonabeautiful.org. Access the website www.keepsedonabeautiful.org to print additional forms. Please provide the following:
