**Keep Sedona Beautiful Presents Documentary
"Youth v. Gov" on Wednesday, July 5, 2023**

Keep Sedona Beautiful will hold a special event on Wednesday, July 5 at 6:00 pm. featuring the documentary titled *Youth v. Gov*. The documentary will be shown at KSB's EcoHub located at 360 Brewer Road in Sedona. Please visit the KSB website, www.keepsedonabeautiful.org for details.

This award-winning documentary gives voice to the twenty-one youth plaintiffs in the federal case, Juliana v. the United States of America, demanding the government protect their future from the chaos of a changing climate. *Youth v. Gov* gives thoughtful insight into their lives and foreshadowed the Held v. State of Montana, June 14, 2023, hearing. The Montana youth, sixteen plaintiffs between the ages of five and twenty-two, argue that the state is violating their right to a clean and healthy environment.

Hazel Chandler of Moms Clean Air Force, which is sponsoring the documentary showing, will be joining us for a brief discussion following the screening. Refreshments will be available.
