YOU DID IT!**

We at Keep Sedona Beautiful are overjoyed to announce, with unwavering support of our community, we have reached our ambitious target of \$40,000 through the Match Magic campaign! This tremendous achievement is a testament to the power of collective effort and dedication to preserving the beauty of Sedona.

A **heartfelt thanks** to those who supplied the matching funds and every one of you who contributed to this cause. Your generosity has doubled the impact of our efforts, propelling us forward in our mission to protect and sustain the scenic and natural environment of Sedona and the Verde Valley.

**NEW HOLIDAY GIFT IDEA TO  
SUPPORT KSB**

**THANK YOU SEDONA PLANT  
PRINTS**

Forget the Amazon gift card this year and give a unique holiday gift created by a local artist and, at the same time, support KSB.

Thank you founder Monique Sidy for creating Sedona Plant Prints, where Eco-Printing is a circular process. Source plant materials are "transported" from the garden to the studio. After the printing process, the water used as well as the flowers, leaves, and roots are returned to the garden as compost or mulch. Most of the year solar heat is used. Each scarf is made sustainably and echoes a commitment to the environment. The eco-printing process uses plants - their flowers, stems, leaves, or roots - resulting in silk scarves that are pieces of Plant Art that are eco-friendly.

Using the above process, Monique creates beautifully dyed silk scarves in a variety of natural hues. **Twenty five percent** of the cost is donated to Keep Sedona Beautiful if the **buyer selects KSB when ordering**.

***Happy Holidays!***
