**Roxanne Holland, Director of Wastewater - City of Sedona
Featured at KSB Speaker Series on Wednesday, March 20, 2024**

Keep Sedona Beautiful will hold its next Preserving the Wonder Speaker Series event on Wednesday, March 20 at 5:00 pm. This month's speaker is Roxanne Holland, Director of Wastewater for the City of Sedona. Her topic will be "City of Sedona Treated Wastewater Quality and Management." Please visit the KSB website, www.keepsedonabeautiful.org for details.

Roxanne's talk is the second part of a series on Sedona water quality and management. Hear from Sedona's wastewater management expert on how the City of Sedona has treated wastewater and managed the quality of that water, disposed of treated wastewater (effluent), how we got to where we are today, and what may lie ahead for the future of the City of Sedona effluent management.

Roxanne Holland, P.E. is a licensed Civil Engineer. She has worked for the City of Sedona for 11 years and is currently the Director of Wastewater. She holds a Wastewater Collections Operator 1 license and a Wastewater Treatment Operator 2 license. She has a Bachelor of Science degree from Northern Arizona University and 15 years' experience in the municipal water and wastewater industry.

The Preserving the Wonder Speaker series is held on the third Wednesday of each month. For over 50 years, Keep Sedona Beautiful has been dedicated to protecting and enhancing the scenic beauty and natural environment of Sedona and the Verde Valley.
