*Celebrating Our First 50 Years*

Issue: February 12, 2026

KSB Member,

**KSB LAUNCHES**

**DISCOVER THE WONDER**

**YOU CAN VOLUNTEER TO ASSIST TEACHING IN THE ECOHUB  
EDUCATIONAL GARDEN**

**Discover The Wonder - An Environmental Education Adventure for Sedona and Verde Valley students.**

Volunteers are needed throughout the spring and fall semesters to be Adventure Guides/Chaperones to students ages 10-16 years old in the KSB EcoHub Educational Garden. Students will go on a self-directed nature scavenger hunt and attend an interactive classroom presentation. Each field trip lasts about 2 - 2.5 hours. Students will learn about Sedona's geoscience, Verde Valley history, native plants and wildlife, pollinators, how Indigenous Peoples used native plants, and the 7 Leave No Trace Principles without using their cell phones.

This is a fun, rewarding time with young people, and we'll need a team of volunteers throughout the school year to call upon from time to time. We need a few volunteers for March 6, from 9:30 a.m. - 11:30 am, and April 28, from 9:30 a.m. - 11:30 am.

If you'd like to join our team, please contact **Diane Kristoff, KSB Education Director**, by email [djk@dinodiansadventures.com](mailto:djk@dinodiansadventures.com) or by calling 480-390-7787.

*Note: Volunteers must be willing to sign a liability waiver, be able to walk on uneven surfaces, and no prior record.*
