See you soon!

KSB is openly recruiting more litter lifters.

Currently, there are two open routes awaiting just the right person to keep them clean:

- SR 179 & I-17 on/off ramps West. This route is shorter than one mile has two different teams assigned, one at the beginning of each month; and the one that is open would be mid-month.
- SR 179 MP 299-300 is a one-mile route that has convenient pull-outs for litter lifters.
- Additionally, substitutes are always welcome and receive the same rigorous training and safety equipment. Substituting is a wonderful gateway to becoming a part of KSB's longest-serving team of volunteers.

If interested, contact Wendy by email at ksb2@keepsedonabeautiful.org.
