Celebrating Our First 50 Years

Issue: June 8, 2026

KSB Member,

JOIN YOUR NEIGHBORS IN GOING SOLAR!

In May, the city of Sedona, Flagstaff, Coconino County, and Solar United Neighbors launched their annual solar Co-Op led by the Switch Together Campaign. Switch Together is a national non-profit that partner with governments to help their residents find a more affordable pathway forward to going solar.

The Switch Together Campaign is a group buying program for solar, battery storage, and electric vehicle chargers that reduces the overall cost. The current program has secured a 17% discount on a high-quality solar installation, compared to the national average. The campaign also offers solar and battery education to homeowners through webinars and in-person events at no cost. It requires zero

commitment to join and allows homeowners to back out at any point. To date, more than 16,604 have accepted an offer through various campaigns nation-wide.

If you are a Sedona resident, please keep an eye out for one of our mailers. To learn more, visit: bit.ly/SwitchTogetherSolarSedona
