KSB invites you to an inspiring class with all proceeds going to Keep Sedona Beautiful.

Keep Sedona Beautiful will hold a special class on Wednesday September 9, 2026, from 5:00 p.m. to 6:30 p.m. with award-winning author and teacher of Feng Shui, Margaret Zhao. Margaret will teach a Taoist Feng Shui class at the Keep Sedona Beautiful EcoHub on how Feng Shui can enrich daily life, support well-being and prosperity, and foster greater harmony within ourselves, our families, our workplaces, and the natural world.

"Feng Shui is not simply the arrangement of objects," says Margaret, "but an awareness of how we live, how our surroundings affect us, and how we create greater balance in our relationships with ourselves, one another, and the world around us." Margaret will identify the five Feng Shui elements and help people visualize changes they could make in their homes and offices.

The class will be held at the KSB EcoHub located at 360 Brewer Road, Sedona.

***The Feng Shui Class is Wednesday September 9, 5:00 p.m. - 6:30 p.m.
Registration ends noon, Tuesday September 8, 2026...no walk ins.***

Picking Up Litter in Favor to the Land

KSB is openly recruiting more litter lifters.

Currently, there are two open routes awaiting just the right person to keep them clean:

- Upper Red Rock Loop Road from Red Rock High School to the low-water crossing sign just before Red Rock Crossing Road; and
- Red Rock Crossing Road from Chavez Ranch to Crescent Moon. You do not need to go into Crescent Moon to pick up litter there. Our permit with Yavapai County specifies just the road itself.
- Additionally, substitutes are always welcome and receive the same rigorous training and safety equipment. Substituting is a wonderful gateway to becoming a part of KSB's longest-serving team of volunteers.

KSB assigns each litter lifter their own mile to clean. You get to be your own boss and clean it whenever you wish. We simply require that it be cleaned once per month at a minimum. The mile includes both sides of the road. We will provide you with safety training and safety equipment, such as a picker, vest and large plastic bags.

If interested, contact Wendy by email at ksb2@keepsedonabeautiful.org and leave your phone number for a return call.
