KSB Member,

KSB FALL 2026

PRESERVING THE

WONDER™ MAGAZINE

[VOTING FOR THE ENVIRONMENT](#)

KSB provides you 4 ways to read Preserving The Wonder:

As a [PDF file](#)

As a [Digital Flipbook](#)

On a [Mobile](#) Device

In a [Black & White version](#) that's easiest to read

The KSB Fall 2026 Preserving the Wonder™ magazine is now available. This issue discusses the power of your vote when it comes to defending the environment and our quality of life here in Sedona and beyond. When federal priorities shift away from conservation, the effects are not abstract. Grant programs dry up and enforcement of environmental regulations weakens, leaving state and local jurisdictions to fill gaps. Voting with these connections in mind is one of the most direct ways you can influence what kind of support or obstacles we will face in the years ahead.

KSB is committed to Preserving the Wonder™ and you can help. As KSB President Carla Williams notes in here leading article, "Attacks on the environment seem relentless, from the downsizing of vital agencies to the elimination of large swaths of public land. Campaigning, letter writing and voting help a lot and, also, funding."

As we kick-off the 2027 matching membership campaign, consider joining, renewing or increasing your annual/monthly amount. Join or renew by clicking [THIS LINK](#).

And, if you feel generous, consider giving QCDs and RMDs. Learn more by clicking [THIS LINK](#). You'll help educate all ages about what's important. Thank you.

Here's just some of the articles you'll find in this issue:

- This Election Will Shape Our Environmental Future
- Recent Federal Actions Affecting the Environment
- Recent Federal Actions Affecting Science
- James Havens Commissions Open
- Together, We Make Sedona Bloom, KSB 2027 Membership Matching Campaign Begins
- Adventure Guides Needed
- From Wildcatting to Litter Lifting—a Life of Service
- Picking Up Litter in Favor of the Land
- KSB Micro-Trash Program
- and more...

2027 KSB MATCHING MEMBERSHIP CAMPAIGN

[TOGETHER - WE MAKE SEDONA BLOOM](#)

The seeds were planted thanks to Norris and Carolyn Peterson. Then Lynn Zonakis and Craig Swanson began to help the campaign take root. Now it's up to the rest of us to Make Sedona Bloom! Your donation will be matched dollar for dollar. This year, our 2027 Membership Matching Campaign has a goal of raising \$50,000. We've exceeded our goal every year so we know we can do it again for 2027. Let's get started today!

Let's all work together Preserving the Wonder™ of this beautiful area where we live, work and invite the world to experience responsibly. With every renewal, first-time membership or donation, we get closer to the next visual change in the campaign artwork. You'll be able to watch the landscape bloom into vibrant colors as your donation and those of others work together.

Picking Up Litter in Favor to the Land

KSB is openly recruiting more litter lifters.

Currently, there are two open routes awaiting just the right person to keep them clean:

- **Upper Red Rock Loop Road** from Red Rock High School to the low-water crossing sign just before Red Rock Crossing Road;
- **Red Rock Crossing Road** from Chavez Ranch to Crescent Moon (You do not need to go into Crescent Moon to pick up litter there. Our permit with Yavapai County specifies just the road itself);
- Additionally, **substitutes** are always welcome and receive the same rigorous training and safety equipment. Substituting is a wonderful gateway to becoming a part of KSB's longest-serving team of volunteers.

KSB assigns each litter lifter their own mile to clean. You get to be your own boss and clean it whenever you wish. We simply require that it be cleaned once per month at a minimum. The mile includes both sides of the road. We will provide you with safety training and safety equipment, such as a picker, vest and large plastic bags.

If interested, contact Wendy by email at ksb2@keepsedonabeautiful.org and leave your phone number for a return call.
