Celebrating Our First 50 Years

Issue: October 10, 2026

KSB Member,

CATCH THE STARS

SATURDAY UNDER THE STARS

WITH KIRK SMITH,

RED ROCK RANGER STATION

OCTOBER 17, 7:00 - 9:00 PM

CELEBRATE

AMERICA RECYCLES DAY

NOVEMBER 17, 2026

On Monday, November 17, communities across the country will recognize [America Recycles Day](#).

To all of you who rinse the jars, flatten the boxes, and make trips to the bins, your simple actions keep tons of material out of the landfill and help protect the red rock country we all love. **Thank you!**

If recycling isn't part of your routine yet, America Recycles Day is the perfect time to start. Here in Sedona, we're lucky to have a terrific local partner making it easy. For more than 30 years, Sedona Recycles has been our only full-scale nonprofit recycling center, diverting hundreds of tons of waste from the landfill every year.

But recycling only works when the right materials go in the bins. Dropping off items that can't be recycled adds to their labor and disposal costs. Before your next drop-off, take a minute to review what is and isn't accepted at: sedonarecycles.org/accepted-materials.

When in doubt, leave it out.

2027 KSB MATCHING MEMBERSHIP CAMPAIGN

[TOGETHER - WE MAKE SEDONA BLOOM](#)

The seeds were planted thanks to Norris and Carolyn Peterson. Then Lynn Zonakis and Craig Swanson began to help the campaign take root. Now it's up to the rest of us to Make Sedona Bloom! Your donation will be matched dollar for dollar. This year, our 2027 Membership Matching Campaign has a goal of raising \$50,000. We've exceeded our goal every year so we know we can do it again for 2027. Let's get started today!

Let's all work together Preserving the Wonder™ of this beautiful area where we live, work and invite the world to experience responsibly. With every renewal, first-time membership or donation, we get closer to the next visual change in the campaign artwork. You'll be able to watch the landscape bloom into vibrant colors as your donation and those of others work together.

[Renew your KSB Membership Now! Have a new neighbor, ask them to Join!](#)

Picking Up Litter in Favor to the Land

KSB is openly recruiting more litter lifters.

Currently, there are two open routes awaiting just the right person to keep them clean:

- **Upper Red Rock Loop Road** from Red Rock High School to the low-water crossing sign just before Red Rock Crossing Road;
- Additionally, **substitutes** are always welcome and receive the same rigorous training and safety equipment. Substituting is a wonderful gateway to becoming a part of KSB's longest-serving team of volunteers.

KSB assigns each litter lifter their own mile to clean. You get to be your own boss and clean it whenever you wish. We simply require that it be cleaned once per month at a minimum. The mile includes both sides of the road. We will provide you with safety training and safety equipment, such as a picker, vest and large plastic bags.

If interested, contact Wendy by email at ksb2@keepsedonabeautiful.org and leave your phone number for a return call.
