2027 KSB MATCHING MEMBERSHIP CAMPAIGN

TOGETHER - WE MAKE SEDONA BLOOM

The seeds were planted thanks to Norris and Carolyn Peterson. Then Lynn Zonakis and Craig Swanson began to help the campaign take root. Now it's up to the rest of us to Make Sedona Bloom! Your donation will be matched dollar for dollar. This year, our 2027 Membership Matching Campaign has a goal of raising $50,000. We've exceeded our goal every year so we know we can do it again for 2027. Let's get started today!

Let's all work together Preserving the Wonder™ of this beautiful area where we live, work and invite the world to experience responsibly. With every renewal, first-time membership or donation, we get closer to the next visual change in the campaign artwork. You'll be able to watch the landscape bloom into vibrant colors as your donation and those of others work together.

Picking Up Litter - With A View!

KSB has one open route waiting for just the right person to keep it clean:

- **Upper Red Rock Loop Road** from Red Rock High School to the low-water crossing sign just before Red Rock Crossing Road;

- Additionally, **substitutes** are always welcome and receive the same rigorous training and safety equipment. Substituting is a wonderful gateway to becoming a part of KSB's longest-serving team of volunteers.

KSB assigns each litter lifter their own mile to clean. You get to be your own boss and clean it whenever you wish. We simply require that it be cleaned once per month at a minimum. The mile includes both sides of the road. We will provide you with safety training and safety equipment, such as a picker, vest and large plastic bags.

If interested, contact Wendy by email at ksb2@keepsedonabeautiful.org and leave your phone number for a return call.
