KSB eNews Today

Celebrating Our First 50 Years

Issue: November 10, 2026

KSB Member,

THANK YOU KSB VOLUNTEER CARETAKERS FOR PROTECTING THEOHUB!

In 1994, Susan Coleman donated the Pushmataha building (now referred to as the KSB EcoHub) to Keep Sedona Beautiful on one condition: that it be used "for environmental purposes." For more than 30 years, the historic structure, built in 1960, has done exactly that.

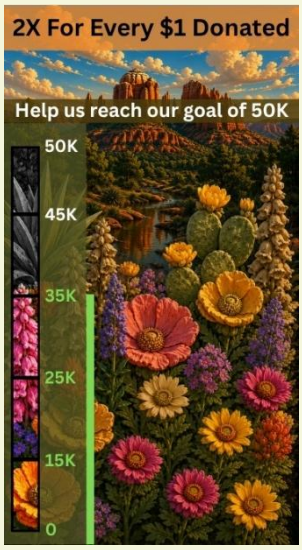

Recent heavy rains sent water rushing toward the building, eroding our landscaping, damaging the building and seeping into the meeting room. Our volunteers moved quickly and stacked sandbags to hold back the water, but sandbags are a stopgap, not a solution.

Because storms like these are becoming more frequent, more permanent fixes reshaping the landscape to steer water away from the building, using rock channels, native plants, French drains and water-harvesting features are needed.

The repair will not only protect the EcoHub, it will demonstrate the smart stormwater practices we encourage.

Help the KSB Membership Campaign BLOOM and help protect the EcoHub!

With gratitude, Carla Willians, President Keep Sedona Beautiful

2027 KSB MATCHING MEMBERSHIP CAMPAIGN

TOGETHER - WE MAKE SEDONA BLOOM

THE SEEDS WERE PLANTED AND NOW THEY'RE GROWING, WE'VE ALMOST REACHED $45,000

Like defending the precious gift of the EcoHub building and property, you can become a champion of Preserving the Wonder™ of this beautiful area where we all live, work and invite the world to experience responsibly.

Renew your KSB Membership Now! Have a new neighbor, ask them to Join!

To those who have already renewed or joined for the first time, thank you.

Keep Sedona Beautiful, Inc. is a 501(c)(3) nonprofit; your gift is tax-deductible.

Picking Up Litter - With A View!

Photo Caption: Mark Foster on SR 89A Courtesy of Kathy Foster

KSB has one open route waiting for just the right person to keep it clean:

- **Upper Red Rock Loop Road** from Red Rock High School to the low-water crossing sign just before Red Rock Crossing Road;
- Additionally, **substitutes** are always welcome and receive the same rigorous training and safety equipment. Substituting is a wonderful gateway to becoming a part of KSB's longest-serving team of volunteers.

KSB assigns each litter lifter their own mile to clean. You get to be your own boss and clean it whenever you wish. We simply require that it be cleaned once per month at a minimum. The mile includes both sides of the road. We will provide you with safety training and safety equipment, such as a picker, vest and large plastic bags.

If interested, contact Wendy by email at ksb2@keepsedonabeautiful.org and leave your phone number for a return call.
